Subject: vDeck-IPOWER-Billing assistance-Making a payment

To: oluwatusint@run.edu.ng <oluwatusint@run.edu.ng>

Hello,

We have received your request to renew the Domain Validated SSL certificate for the domain run.edu.ng. We did try to generate an invoice for you for the renewal. However, it seems that the domain validated SSL has already been cancelled in your account. Hence, The SSL certificate needs to be renewed from the backend directly for the domain. You can get the renewal price details in the below link:

<https://www1.ipower.com/product/ssl-renewal.bml?page=renewrapidssl>

The Domain Validated SSL certificate renewal prices are given below:

1 year - \$59.99

2 years - \$107.98

3 years - \$143.98

For any further assistance, You can contact us anytime. We are here for you 24/7.

Regards,
IPOWER Support
